

# THE WALL

**Inverness Old Town Art (IOTA)** would like to invite submissions from anyone with a fantastic idea for the Crown Road wall.

This opportunity is open to artists, designers, makers, students, architects, community groups and schools. **IOTA** is looking to transform a large expanse of curving wall facing the Eastgate carpark entrance on Crown Road, Inverness.

At this stage, we are only looking for outline ideas - it's not a problem if you are not sure how to realise your idea. The **IOTA** team can work with you to find the best way to make it happen.

Local community groups may be inspired to get involved - if you would like professional assistance for your group, please get in touch by email.
